There is an old philosophical principle that states that “whatever is given is given in the mode of the giver; whatever is received is received in the mode of the receiver.” That principle might seem self-evident but is often the cause of many disagreements, misunderstanding and miss-communications. Here is a story that illustrates this principle.

A minister decided that a visual demonstration would add emphasis to his Sunday sermon. Four worms were placed into four separate jars. The first worm was put into a jar of liquor. The second worm was put into a jar of cigarette smoke. The third worm was put into a jar of chocolate syrup. The fourth worm was put into a jar of good clean soil. At the conclusion of the Sermon, the Minister reported the following results:

the first worm in liquor -- dead!
the second worm in cigarette smoke -- dead!
the third worm in chocolate syrup -- dead!
the fourth worm in good clean soil -- alive!

So the Minister asked the congregation --- What can you learn from this demonstration? A little old woman in the back of the Church quickly raised her hand and said, “As long as you drink, smoke and eat chocolate, you won’t have worms!”

The point of this story is to try to make us aware of how we live out our faith and how that faith-in-action is seen by others. We are judged not only by what we say and do but also by how others experience what we say and do. We are called to be men committed to Jesus and to spreading His Word in our world. It is imperative that we reflect on our programs and activities, to get some feedback from others about the message and how we are communicating it. It is just too easy for us to take things for granted and yet be unaware of how these same things affect others not of our faith of our brotherhood. Summer is a good time for some of this reflection. God bless!

We are called to
be men com-
mitted to Jesus
and to spreading
His Word in our
world.

Grand Knight's Report

Steve Partenope
410-913-1566

Brothers and Families,

I want to express my sincere gratitude for my election as Grand Knight of Archbishop Fulton J. Sheen Council for the Fraternal Year 2005-2006. I am looking forward to a year that will be fun, exciting, and rewarding for all. I want to commend our immediate Past Grand Knight, Brother Steve Zyla, for a notable term of office. The many memorable events, including the Youth Safety and Learning Expo, which was awarded State Youth Program of the Year, added to this Council's tradition of greatness.

Fulton Sheen Council boasts a dynamic group of Officers, Directors and Chairmen who are eager to build on the successes of recent years with our own creative ideas. **We will hold such Council favorites as the Family Safety and Learning Expo, the Bull & Oyster Roast, the Valentine's Day Dinner Dance, and St. Patrick's Day Party.** We will also venture to increase Council 7612's visibility in the Church and Community in order to show that we are Knights of action who are here to serve.

I invite all members of the Council Family and members of our extended Maryland State Council Family to join us at the **Installation of Officers for our Council and our Sheen's Colleens. On 20 July at 7:30pm** we will hold the ceremonies at our Council Home on Stang Road; refreshments and socializing will follow.

Finally, I challenge all of you to commit to doing your part to further the efforts of this Council. Whether your part is working one Beef Pit this summer, volunteering to clean up the highway one Saturday morning, or jumping into every possible event this Fraternal Year, remember that your Knights of Columbus experience is what you make of it. As your phones will be ringing, I invite you to answer the call! Come out and make a difference!

Brothers,

Here we are again at the beginning of a new Columbian year. I want to congratulate all the newly elected council officers and pledge my support to you and your entire council in the coming year. I look forward to working with all of you again this year. You are part of a very strong District; together we can make it even stronger.

Your Grand Knight has completed his training at the Grand Knight's Seminar at Mount St. Mary's College in Emmittsburg. He was given a tremendous amount of information, and is now ready to embark on his year as your leader. I know he is excited about your councils' activities for the upcoming fraternal year. With your support, I am confident that you will have a successful and fun-filled year.

Remember that it is important that the Officer's as well as the Membership and Program Directors and the Chairmen attend the Program and Membership Seminars on July 26th. The information you will receive from these seminars will help you help your Grand Knight tremendously in the coming year. Please make a point to attend.

With the new year, comes new membership goals. Four of five councils in District 1 earned "Star Council" for the 2004-2005 Columbian year...let's achieve five out of five this year. There is no reason why every council in District 1 can't achieve this honor. But, to get there we need to start now. As our worthy Supreme Knight said, "It is our moral obligation to offer every Catholic man the experience of a lifetime"... membership in our great order.

Council installations will be upon very shortly. Please support your council officers

and help them get off to a strong start by attending this important event.

Grand Knights, remember to submit your Report of Officer's Chosen (due July 1st), Service Program Personnel Report (due August 1st), and your Semi-Annual Audit (due August 15th).

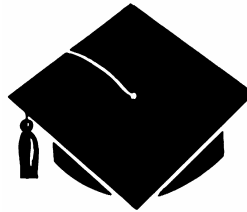

God Bless you, God Bless our order, and remember "It is in giving that we receive".

IT IS IN GIVING THAT WE RECEIVE.

Knights Mourn Death of Cardinal Sin

On June 21, His Eminence Jaime Cardinal Sin, retired Archbishop of Manila and 46-year member of the Knights of Columbus, passed away. Knights in the Philippines and throughout the world join in mourning his death and in celebrating his life of faithful service to the Church as a successor to the apostles.

\$135 Million for Charity in 2004 is All-Time High **Volunteer Service by Knights Also Sets New Record of 63 Million Hours**

The Knights of Columbus set new records for charitable giving and volunteer hours in 2004.

The results of the Order's Survey of Fraternal Activity for the year ended Dec. 31, 2004, show that total contributions to charity at all levels climbed to \$135,753,039, exceeding the previous year's total by more than \$5 million.

The figure includes \$26,388,095 donated by the Supreme Council, \$11,611,596 given by state councils, and \$97,753,348 in charitable donations from local councils, Fourth Degree assemblies and squire circles.

The survey also shows that the estimated number of volunteer hours by Knights for charitable causes grew to more than 63 million hours. In addition, members contributed another 9.3 million hours to fraternal service activity. There were 407,746 Knights of Columbus blood donors during the year, and Knights made more than 6 million visits to the sick and bereaved.

Cumulative figures show that over the past decade, the Knights of Columbus has donated \$1.174 billion to charity, and provided in excess of 560 million hours of volunteer effort in support of charitable causes.

Knights of Columbus in Ontario led the way in charitable giving, with \$7,655,212, followed by California (\$6,572,879), Quebec (\$5,752,883), Illinois (\$5,595,344), Florida (\$5,555,056), Texas (\$5,513,976), and Michigan (\$5,268,878).

British Columbia Knights gave the most money to charity per capita, averaging \$262.40 for each member. Other leaders in per capita giving included Alberta (\$168.85), Virginia (\$150.20), Ontario (\$136.29), and Newfoundland (\$132.84).

Pro-Life Report

Steve Zyla

Let's weaken Roe v. Wade, altogether now... Sigh. Abortion advocates have become obsessed with the defense of Roe v. Wade. My personal vote for most obtuse defense of Roe v. Wade was to deny illegal immigrants pre-natal care. I'm not making this up. In a 2001 decision, a federal appeals court ruled, "Roe v. Wade instructs, a fetus lacks constitutional protection to assure it has a right to be born, we see no basis for according it constitutional protection to assure it enhanced prospects of good health after birth." This particular ruling was so absurd that even Martha Davies, the legal director of the pro-abortion NOW Legal Defense and Education Fund said that "it just ends up harming innocent children and costing more in the long run."

Well, well, well, maybe we have a convert. In this column we shall explore, from time to time, legislative updates and interpretations. Hopefully everyone is making plans to attend the March for Life this January. For now, how about opposing tax funding for abortions and federal mandates that require companies provide abortion as a health care benefit.
